Department of Acoustic Music Department (!)

Thanks to Rounder for the new stuff...keep 'em flying our way. Hey, are any of you companies putting out more Folk from other countries? Some of the new records that I really like are SUKAY: Socavon (on Flying Fish), and KORNOG: Premiere on Green Linnet. O.K., so Kornog is a bit old. It's great stuff, though, because you don't hear much of it--it's different. Let's have more of it! Anyways, on the summer scheduling: (yes it exists) Saturdays 2-4 P.M. every other week and Saturday 4-6 P.M. every week. Don't stop sending us new releases over the summer because I'm here and so is the music. There is no Folk playlist this week, but three new records grabbing lots of airtime are: COMMON GROUND: Traveler's Choice-Kicking Mule, SUKAY: Socavon, and HARP on Redwood Records.

We have two summer D.J.s who want to do Blues. Send us those new releAses!!

Rob Keeble, Acoustic Music Director &
Temp. M.D. (for the summer)

SOUL (Phil Carpenter, Summer General Manager)
